

**The Waccamaw Library is pleased to announce  
an exhibit of the work of  
Estelle McClary  
during the month of January.**

Estelle McClary was born and raised in Greenville, SC. She married Salters McClary and in 1976 they moved permanently to Pawleys Island, SC. Once an owner of The Joggling Board, Estelle took up painting after retiring in 1989. Her favorite medium is watercolor. She also needlepoints pillows and purses and makes delicious soups full of vegetables from her garden. She truly is a Renaissance woman and her grace and sense of humor is shown in watercolors.

When not painting she spends her time in the garden, with her 3 children and 8 grandchildren sharing time and their love for theatre.
